

*Thank you for taking an interest in our wine program. Even after eleven years, our wine program, like our restaurant, is still a work in progress. Reflecting our kitchen's philosophies, we strive to offer a constantly evolving selection of wine - from artisan producers who understand stewardship and clean farming - which are food friendly and offer great value for money. It's been a real treat putting this list together, and I hope you get as much enjoyment drinking from it!*

*While we offer an exciting selection of international wines spanning from the cool coastal areas of California to the warm plains of eastern Austria, Ontario wines are, and will always be, our main focus. We are so fortunate to be located in a region where world-class wines are being produced just minutes away. Proudly, the restaurant offers library selections from some of Canada's top producers. We also take great pride in offering beer from some of Ontario's top craft breweries.*

*We would be honored to assist you in your selection.*

*James Treadwell, Sommelier-Owner*

*A quick note on the wine list. Now and again, you will see the following symbol - (\*). This denotes a wine which shows atypical varietal or regional character or is just, simply, "different". Wine geeks rejoice!*
