

Winemakers Dinner featuring Big Head Wines

Saturday, November 18th @ 7pm

Based on the over-whelming success of years past, we have decided to once again host a winemaker's dinner featuring the wines of Big Head. This family-run estate in Niagara-on-the-Lake is crafting some of Ontario's most sought-after wines and have always been a favourite amongst our sommelier team.

Selections from their new RAW series, along with several back-vintage wines, will be showcased alongside Treadwell's celebrated local cuisine. Hosted by Sommelier-Owner James Treadwell and the Lipinski family, this experience is one that is not to be missed!

Cost is \$150 per guest, plus taxes and gratuities. For more information or to reserve, please contact the restaurant at 905.934.9797
