Onsite Dining

Private Dining Room

The Private Dining Room offers an intimate space for group dinners and small receptions. It can accommodate a sit-down dinner for 8-32 guests. It boasts a great view of the restaurant's working wine cellar behind a floor to ceiling glass wall. It also comes full equipped with state of the art audio-visual equipment including a 60' interactive Panasonic plasma display which is creatively hidden away behind a canvas vineyard photograph.

Wine Bar

The Wine Bar offers a casual atmosphere decorated in rustic wood and metal elements. It can accommodate a seated dinner for up to 20 guests and works great as both a reception space prior to dinner or as a space served with "Family-Style" platters. Your guests will enjoy the local wines specifically chosen for the Wine Bar under the dimmed lights, creating the perfect, informal event.

Rooftop Patio

The Rooftop Patio overlooks the quaint, historic town of Niagara-on-the-Lake and offers one of the town's most unique dining experiences. The Rooftop Patio is the ideal setting for passed canapés receptions or food stations.
