

BACHELDER

Winemaker's Dinner featuring Bachelder

Saturday, November 4th @ 7pm

Join us this November as we showcase the wines of one of our favorite producers, Bachelder. Sourced from several single-vineyard sites around Niagara, the wines of Bachelder are the epitome of cool-climate viticulture and winemaking and are currently some of the most exciting on the market.

On November 4th, Treadwell will host a special dinner featuring Thomas Bachelder and his wines; giving our guests not only the opportunity to taste some of Canada's most iconic Pinot Noir and Chardonnays but also meet one of the country's most talented winemakers. The experience, guided by Thomas and Sommelier-Owner James Treadwell, is certainly one that shouldn't be missed!

Cost is \$150 per guest, plus taxes and gratuities. For more information or to reserve, please contact the restaurant at (905) 934-9797
